

Poverty Simulation

"A 40 hour exploration of poverty "

Experience how it feels to live in a community surrounded by wealth, while struggling to feed, shelter, and clothe yourself and your family. These 40 hours will change your life! Trips available for adults & youth.

You never know how bad things are until you experience them for yourself. People live like this every day of their lives...My problems seem so small in comparison."

- Janice from Marquette

- Participant from Port Edwards
